Subject:- Regarding Your academic student feedback.

Dear Sir/Madam,

This is to inform you that, in the last semester management taken student academic feedback of BE Comp subject teachers, for the following points related to "Teaching and learning" your performance is extremely good and appreciable continue your way of teaching with respect to these points.

1. Preparation of the subject
2. The teacher speak clearly and use simple language
3. Neatness & clarity of writing on the board
4. Logical Presentation
5. Lectures were conducted regularly
6. Use of the Audio - Visual Aids
7. Encourage students to ask questions & conduction of periodical tests
8. Examples of practical application / need of principles taught

At the same time there are some points where you need to improve your skill of teaching or need to make appropriate changes. Following are the points where you need to focus and need to deliver better.

1. Summary Of Portion Covered at the end of lecture
2. Intimation Of Portion To be Taught in the next lecture

For better delivery of academics and improvements in teaching, you need to take more efforts, discuss the above points with Your Departmental Head and senior faculty; we hope positive changes and improvement in academic delivery in coming semester.

Student Feedback Action Taken Report

Academic Year: 2015-2016

Semester: I

Class: TE Computer

Teacher Name: Prof. Nilesh Madake

Subject: DCWSN

Feedback Score: 68.40%

Area of Improvement:

- Clarity in speaking and use of simple language.
- Neatness & clarity of writing on the board
- Logical presentation of concept
- Regularly conduction of lecture
- Use of the audio-Visual Aids
- Answers to student's questions and periodical assessment.
- Revision of important concepts at the end of lecture.

Action Taken:

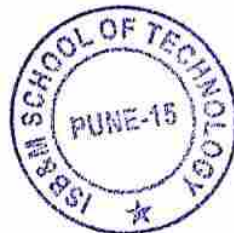

Teacher recommended to do following:

- Make use of simple language and speak clearly so students get the concepts properly.
- Keep Neatness & clarity of writing on the board
- Regularity in conduction of lecture
- Make use of the audio-Visual Aids
- Conduct periodical assessment.
- Revision of important concepts at the end of lecture

Subject:- Regarding Your academic student feedback.

Dear Sir/Madam,

This is to inform you that, in the last semester management taken student academic feedback of all subject teachers, for the following points related to "Teaching and learning" your performance is extremely good and appreciable continue your way of teaching with respect to these points.

1. Preparation of the subject
2. The teacher speak clearly and use simple language
3. Neatness & clarity of writing on the board
4. Logical Presentation
5. Encourage students to ask questions & conduction of periodical tests
6. Examples of practical application / need of principles taught
7. Intimation Of Portion To be Taught in the next lecture

At the same time there are some points where you need to improve your skill of teaching or need to make appropriate changes. Following are the points where you need to focus and need to deliver better.

1. You are not conducting lectures regularly
2. You are not using any visual aids
3. You are not able to covering the portion at the end of lecture

For better delivery of academics and improvements in teaching, you need to take more efforts, discuss the above points with Your Departmental Head and senior faculty; we hope positive changes and improvement in academic delivery in coming semester .
