**REPORT**

Session on

**“Guidance for Competitive Examinations”**

Placement Assistance Cell, ISB&M School of Technology, Nande, Pune conducted the session on “Guidance for Competitive Examinations” from 10:00 A.M. to 01:00 P.M. on 24<sup>th</sup> January, 2018. This interactive session aims to prepare the students ready for the interviews in company.

The session consists of following modules:

1. Communication skills
2. Personality development
3. Presentation skills
4. Employability Skills
5. GRE/ TOEFL/ IELTS Exam Guidance
6. Competitive Exam Guidance
7. Importance of foreign languages

The Soft Skill Interactive Session was conducted by **Mr. Laxman Iyyer**.

**Session objectives :**

- Engineer's profile - Student portfolio creation. How it should look like close to an Ideal one?
- Important Online free resources for preparation towards preparing for suitable recruitments | Continuous learning concept | higher education options.
- About GATE 2019 preparation , its importance and benefits. Complete overview.
- About PSU's job preparation through GATE scores.
- About Pre-recruitment preparatory techniques - Sector-wise or domain wise preparation.
- Preparation through Campus recruitment | Off.campus planning - Will share the sources.
- Interview preparatory tips - Do's | Essential things to make yourself ready.

Peoples Empowerment Group  
**ISB&M SCHOOL OF TECHNOLOGY, NANDE, PUNE**  
PLACEMENT ASSISTANCE CELL  
Academic Year 2017-18

- About GRE - Fall 2018 and Spring 2019 - For Current BE Students. By merit of scores - Detailing on prospects of Scholarship aid options and Employability.
- About GRE - Fall 2019 and Spring 2020 - For Current TE Students. By merit of scores - Detailing on prospects of Scholarship aid options and Employability..
- About Internship | Industry visit selections - An Overview.
- About the prospects of Ph.D across the public Universities in US with 100% sponsored scholarship aid. This could be useful for faculties.

All the students of TE & BE were benefited from this session.

## REPORT

### “Youth Employability Initiative by NASSCOM, GTT & Barclays”

Placement Assistance Cell, ISB&M School of Technology, Nande, Pune organized “Youth Employability Initiative by NASSCOM, GTT & Barclays” on 26<sup>th</sup> September, 2017.

Following are the few points that Barclays, NASSCOM & GTT has initiated:

As part of their CSR initiative, Barclays has decided to skill unemployed youths as per the industry requirement. Barclays has decided to partner with GTT & NASSCOM Foundation in this initiative. GTT would be executing the training program under this initiative, with limited number of colleges across India.

Here are some of the highlights of the training:

- 1) Barclays Life Skills training content of 24 hours is available online on [www.careerclap.com](http://www.careerclap.com). Students can study this online content at their pace and give the online assessment. All participating students will receive a E-certificate.
- 2) As soon as the students complete their online assessment, they will be able to access various features on [www.careerclap.com](http://www.careerclap.com) like Practice Aptitude Tests, Employability Assessment Test, Resume Building, Industry Connects, Job Openings and Dosts. All these features are designed to upskill the students and to improve their chances of getting placed in reputed organizations.
- 3) Leaders@Campus is a pioneering initiative to bring leaders like Principals, Directors, HODs and TPOs across India on a common digital platform
- 4) Face to face trainings - Students can attend unique and specialized trainings on topics which are preferred by potential employers. Five days face to face training will be provided at one of the GTT centers along with industry visits, this helps the students get a perspective of corporate life even before they appear for an interview

Peoples Empowerment Group  
**ISB&M SCHOOL OF TECHNOLOGY, NANDE, PUNE**  
PLACEMENT ASSISTANCE CELL  
Academic Year 2017-18

- 5) Face to face high impact workshops by industry experts - Students will also have the opportunity to attend a workshop at their college on variety of topics.
- 6) Successful student's scores and analysis of their areas of strength (Employability Assessment) will be provided to potential employers.

This program was open for all students of BE (Mechanical, Comp, IT & EnTC)

We also have signed MoU with GTT for this initiative & got appreciation letter for successful conduction.

## REPORT

### **“Symposium on Latest Global Trends in skills Development and Employability”**

ISB&M School of Technology, Pune has organized Symposium on “Latest Global Trends in skills Development and Employability”. The above symposium was planned by us aiming to make our engineering students aware of latest global trends in skills in demand today to enhance their employability. The notice was put on all notice boards in our campus. A team of faculties and student coordinators was formed and a minute by minute program schedule was prepared. We had invited very prominent speakers of diversified industries.

The whole one day program was conducted smoothly as per the schedule from welcome of guest speakers inaugural function by lightening the lamp and Goddess Saraswati vandana and speeches of our Principal Dr. P.K.Srivastava and executive director Dr. Anirban Sengupta, and it was the time of speakers to share their experience on the above topic. Our students interacted with them and got benefitted and our purpose of organizing this symposium was solved completely by receiving positive feedback from our students orally. Also guest speakers praised our campus and hospitality.

Later on we signed MOU with one company M/S Voracii Wisdom Solutions Pvt.Ltd. to establish “Centre of Excellence and Data analytics Hub” inaugurated digitally. Prof.Asrani S.H concluded this whole day session and vote of thanks was given by Prof.Atul Mokal.

At last we had high tea with guest speakers, faculty, staff and student coordinators.

#### About I-Talks:

I-Talks is a student driven initiative, which invites eminent individuals from various walks of life and provides a platform for interaction.

#### Vision:

I-Talks defines ISB&M with its intellectual thought process and it is managed by the students itself. The cell started in 2017 with an objective to bring together motivation and passion within the students. It further provides a platform for college students to organize their minds, ideas and thoughts to make sense in the upcoming corporate world they will sustain in future.

#### Mission:

The cell is designed for the overall development of students hence aiming to invite various distinguished speakers from all the sections of society. This will enhance diversified discussion within the campus therefore helping in overall development of the students. Interacting

## REPORT

### Seminar On "MECHATRONICS & INDUSTRIAL AUTOMATION"

Placement Assistance Cell, ISB&M School of Technology, Nande, Pune conducted the seminar on "MECHATRONICS & INDUSTRIAL AUTOMATION" from 02:30 P.M to 05:00PM on 22<sup>nd</sup> Mar 2017. It helps the students in their academic, professional life. This activity shall definitely improve student's skill and knowledge to get job in Automation/Process Industries. This seminar is aimed at giving students an actual working of industry. This seminar shall be the first step towards satisfying career in industrial sector.

#### Valuation of seminar:

This seminar helps students in their Academic, Professional life. At present all industries are having 100% automation in there process units. So industrialists are looking for engineers for handling automation machine. No manual works are available in industries. Industries are recruiting mainly automation & mechatronics engineer from Electrical, Electronics, E&TC and Instrumentation & Mechanical for handling automation machines. So be an "Automation & Mechatronics Engineer". An automation is available in all process industries, in various malls, multi-storage buildings, Power generation and distribution plant, in shipping, dockyards, Airports etc. so more opportunities for getting jobs.

## REPORT

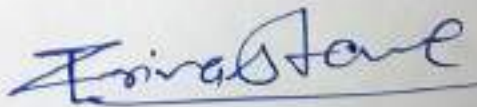

### **“Software Training on Java, DotNet, SQL, Testing by Q-spiders”**

Q-spiders in association with ISB&M “School of Technology”, Pune has organized program to select students for training under Q-spiders. Final Year students of Computer and E&TC department are given the opportunity to get selected for the incubation program. Program was scheduled on 11<sup>th</sup> of March 2017 at Computer Seminar hall. Q-Spiders took exam of students as well as Group discussion and personal interview as a selection procedure. Mr. Shubham Ghelot HR. Coordinator conducted all the processes with his colleagues. Prof. Atul Mokal placement coordinator led the team and conducted this program successfully. He motivated students to join Q-Spiders for free training. Following students have been selected in Q-Spiders:

- |                        |            |
|------------------------|------------|
| 1. Rashmi Singh        | Computer   |
| 2. Swapnil Shelke      | E&TC       |
| 3. Ankita Roy          | E&TC       |
| 4. Sanket Bhojane      | E&TC       |
| 5. Vinod Bankapure     | E&TC       |
| 6. Pawan Jaiswal       | Computer   |
| 7. Yashashree Kulkarni | E&TC       |
| 8. Sajan Khengare      | Mechanical |
| 9. Prashant Khanekar   | Mechanical |

## REPORT

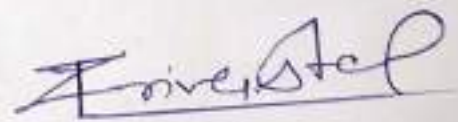

### **“Workshop on IT and Defense Applications”**

Workshop on IT and Defense applications was conducted by DIAT for the students and faculties of ISB&M School of Technology on 1<sup>st</sup> October 2016. Event started sharp at 9.30 after the breakfast arranged by DIAT itself. At first the HOD of computer department and other faculties of DIAT interacted with students. Students along with faculties were very much interested to know the defense culture. They were eagerly asking about the jobs in defense fields as an engineering professional. Keynote speaker Mr. Tanmoy Hazare took a knowledgeable session on Game Theory. Mr. Tanmoy Hazare is the PHD students in DIAT and researching on Game Theory. He explained about the domain in a deep way by real time examples. Students and faculties asked queries which he solved in an interesting way. He motivated students to do projects in different domains. He also discussed different areas of Game Theory. Total of 137 participants were present out of which 117 were students and 20 were faculties.

Prof. S. K. Hiremath gave vote of thanks at last and concluded the event. Event was coordinated by Prof. Kirti Randhe

## REPORT

### **"Session on Career Research & Higher Education in Germany by DAAD"**

Placement Assistance Cell, ISB&M School of Technology, Nande, Pune organized "Session on Career Research & Higher Education in Germany by DAAD" on 21<sup>st</sup> March, 2017.

The New Delhi office of the DAAD, established in 1960, promotes academic exchange between Germany and India, Bangladesh, Bhutan, Nepal, Sri Lanka. It supports academicians and scientists in fulfilling their academic and scientific pursuits by providing financial assistance. DAAD is funded by the Federal Republic of Germany and is functioning as an official agency in accordance with the Cultural agreement between Germany and India of March 1969.

The DAAD provides information about education in Germany, grants scholarships to students, invites scientists from Bangladesh, Bhutan, India, Nepal and Sri Lanka to Germany as well as those from Germany to these countries, and supports bilateral research projects. Dr. Christoff Senft (Honorary Director - DAAD) and Mrs. Dhanashree Deodhar (Information & Office Manager) were the chief guests & eminent speakers for the event. They advised all the students about how to approach for research in Germany as well as career opportunities in Germany.

Overall Event was organized & coordinated by Prof. Atul Mokal.

## REPORT

### **“Seminar on R&D and Success Mantra”**

Dr. Virendra Kumar Verma former joint director at Defense R & D Establishment, a renowned scientist visited ISB&M School of Technology, to deliver his topic on research and development to the students and faculties of college. Program was scheduled and conducted in E&TC seminar hall. It started sharp at 10.30 and continued till 12.30. Dr. Virendra talked about research and development with discussing some key points how to achieve success in it. He explained it in very generous manner by quoting various examples of real world. He gave mantra of success to students and faculties.

He discussed different fields of engineering and their role in defense and armaments. He encouraged students to do their final year projects on armaments and assured to give full support for the same. He motivated faculties for research and explained the procedure of PHD in various domains. He mentored on branch specific relation to the research areas of defense. He showed different weaponry systems of India which is developed or being developed in India. Prof. Asrani Training and placement officer of ISB&M School of Technology welcomed Dr. Virendra by giving token of love. Prof. Atul Mokal gave vote of thanks at the end and concluded the program.

## REPORT

### **“COMMUNICATION SKILLS & INTERVIEW TECHNIQUES”**

Placement Assistance Cell, ISB&M School of Technology, Nande, Pune conducted the workshop on “COMMUNICATION SKILLS & INTERVIEW TECHNIQUES” session from 09:30 A.M. to 05:00 P.M. on 02<sup>nd</sup> Feb 2016. The workshop on Communication skill and interview technique was delivered by Professor Atul B. Patil, from College Of Engineering Pune.

The workshop aims to increase the placement ratio by improving the communication skills and interview techniques of the students.

Prof. Atul Patil works as Assistant Professor of Communication Skills at the College of Engineering Pune (COEP). Prior to this job, he worked at the English Language Teaching Institute of Symbiosis (ELTIS) as a Lecturer and Senior Co-ordinator for 6 years. He also worked in industry for a year in a US-based document creation company as a Validator (Quality Control department). He worked at the Intellectual Property Rights (IPR) Chair, University of Pune and for the Penn-in-India, study abroad programme of the University of Pennsylvania, USA. He holds a Masters in English and is presently working towards a Ph.D. at Symbiosis International University on ‘Developing Computer-based Activities for the Teaching and Testing of Listening and Speaking Skills’.

Prof. Patil is a Member on the Board of Studies for the Faculty of Humanities at Symbiosis International University and is a recipient of the first Rising Star Award of ELTIS, Symbiosis. He is a Member on the panel of experts for the international online journal called Spark and is associated with ELT Weekly, WiziQ and AsiaCALL. He has conducted several workshops for students, teachers and working professionals. He has presented papers at national and international conferences and was the Conference Co-ordinator at Symbiosis for its three national conferences.
