REPORT

“Computer Literacy Program”

Department of Computer Engineering, ISB&M School of Technology, Nande, Pune organized “A Computer Literacy Program” on 3rd April 2018 at Z. P. School, Susgoan.

Computer literacy is the ability to use computers and related technology efficiently, with a range of skills covering levels from elementary use to programming and advanced problem solving. By another measure, computer literacy requires some understanding of computer programming and how computers work.

Third year Students of computer department had given a presentation on computer basics to the students of Z. P. School from Standard 5th and 7th. Around 150 students get the benefit of computer literacy program from Z. P. School. All staff of computer department was present along with some students at venue.

Program started with welcome of All Computer department staff and Students by Principal of Z. P. School. Students were enjoyed the session. At the end of program Prof. Sheela Bankar expressed gratitude towards students, staff and principal of Z. P. School, Susgoan.
